SECRET 25X1 -2-25X1 Between 4 a.m. and 7:30 a.m. on 17 March, 28 x 122-mm field guns, 36 x 152-mm gun howitzers, all towed by prime movers; about 40 three-axle trucks, 3 field kitchens and an undetermined number of troops wearing red-bordered black equalets, mostly with artillery insignia. cassed through Potsdam, preceeding toward Nedlitz. 25X1 the column included the bulk of the artillery units stationed in Nedlitz. 25X1 Connent. The movement is in connection with the transfer of the elements of the 25th Tank Div stationed in Oranienburg to the new barracks installations in Templin. Comment. entraining of a light AAA batterv of the 34th Arty Div (US) 25X1 in Stralsund. 3. Comment. Probably a tank firing detail of the 10th Gds Tank Div, returning from the Letzling Heath. L. Comment. Elements of the 34th Arty Div (US), returning from Jueterbog. The shipments were repeatedly confirmed. 25X1 5. presumably a tank firing Comment. detail of the 20th Gds Mecz Div, going to Ohrdruf. 6. 25X1 30 minutes later, a column, which Comment. included about 60 heavy guns, passing through Potsdam toward Justerbog. As the number of guns 25X1 is about the same with the two columns, it can be assumed that two brigades of the 34th Arty Div (US), before leaving for Jueterbog, assembled at the Bornstedter Feld. This assurption would account for the direction of
